

PURELL® Hand Sanitising Gel VF481™

For communities where contamination rapidly spreads

PURELL Hand Sanitising Gel VF481 was designed specifically to be effective against viral outbreaks, where the virus spreads rapidly by either person-to-person or through contaminated food while still being skin friendly.

PURELL Hand Sanitising Gel VF481 should be used anywhere there is a risk of viral contamination, often in closed or semi-closed communities, such as:

- *Cruise ships*
- *Hotels*
- *Restaurants*
- *Gyms*
- *Prisons*
- *Hospitals*

For European Markets Only

Designed to tackle viral outbreaks and still be skin friendly.

The PURELL quality you trust.

- High efficacy, skin friendly formulation, feels silky smooth
- Conditioning agents help maintain skin condition and is clinically proven to be mild on the skin.¹
- No rinse hygienic hand rub
- Kills 99.99% of most common germs that may be harmful
- Virucidal according to EN 14476, Bactericidal according to EN 1040 and EN 13727, Fungicidal and Yeastical according to EN 1275, Tuberculocidal according to EN 14348 and conforms to EN 1500 and EN 12791
- Effective against closed or semi-closed communities where there is a risk of viral contamination

The PURELL family of products is part of a complete line of gentle and effective hand hygiene products from GOJO Industries. For more information, call +44(0) 1908 588444 or visit www.GOJO.com/unitedkingdom.

Sizes and dispensing options make PURELL® Hand Sanitising Gel VF481™ available wherever you need it.

GOJO SANITARY SEALED™ Refills are SAFE, SMART and SIMPLE

SAFE:

The product inside is protected from contamination because it is factory sealed and includes a fresh valve with each refill.

SMART:

The logical choice for helping prevent the spread of germs.

SIMPLE:

Virtually labour free: insert a new refill into a GOJO dispenser in seconds.

Create a lasting impression:

- Build customer and employee loyalty and confidence by making hand hygiene a priority
- Offer PURELL VF481 at key locations in your facility to create a lasting and positive impression

Added benefits:

- Fragrance free, dye free
- Fast, broad-spectrum antimicrobial efficacy against enveloped and non-enveloped viruses

1 Study Number 2231: RCTS, Inc. Texas, USA, 02 July 2007

Use biocides safely. Always read the label and product information before use.
